

# AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

**Name:** Rovshan

**Surname:** Bagirov

**Patronymic:** Yahya

**Date of birth:** 03.12.1980

**Office phone:** -

**Mob:** 0773121980

**E-mail:**baqirov8080@mail.ru

**Faculty:** Engineering

**Department:** Elektric engineering

## EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

2003 - graduated from the faculty of Electrification and automation of Agriculture.

2008, - defended his PhD thesis on islanmasi and justification of the work flow control device in order to increase the technological reliability of the spreaders.

Since 2018 he has received the title of associate professor in Electrical Engineering.

## EMPLOYMENT

2004-2006 BAYVA worked as a Western-Energy engineer,

2006-2009 as an engineer at Azerenerji OJSC,

2009-2013 as a leading engineer at Ganja YKES;

2010-2014, senior lecturer in the departments of Energy and Electrical Engineering, acting associate professor

2015-2018, associate professor in the Department of Electrical Engineering from 2018

until now; at The Bachelor's degree, he lectures on "relay protection and automation",

"protection of electrical networks and equipment", "diagnostics in Electroenergetics".

He lectures on "reliability of power supply system", "installation of electrical equipment

and automation tools". Author of 20 articles, 1 textbook, dozens of programs and 1 recommendation

## RESEARCH AREA

Areas of application in Electrical Engineering

## PARTICIPATION IN INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES

none

## **SCIENTIFIC WORKS**

1 recommendation including 20 scientific articles

## **LANGUAGE SKILLS**

English

Russian
