

# AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

**Name:** Nuraddin

**Surname:** Mammadov

**Patronymic:** Najaf

**Date of birth:** 07.10.1937

**Office phone:** +994503368637

**Mobile:** +994503368637

**E-mail:** nureddin37@mail.ru

**Faculty:** Engineering

**Department:** Agricultural Machinery

## EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

1960-graduated from the Faculty of Agricultural Mechanization (Agricultural Engineering) of the Azerbaijan State Agrarian University.

1968, - defended his PhD thesis.

2003, - defended his dissertation on "Development and justification of technological processes of cotton cultivation and working bodies of machines in the conditions of the Republic of Azerbaijan" and received the degree of Doctor of technical Sciences in the specialty Mechanization of agricultural production.

Since 2007, he has been working in this position with the rank of professor.

## EMPLOYMENT

1961-1963-Senior laboratory assistant at the AzAI.

1963-1966-full-time postgraduate study at the AzAI..

1968.PhD of Technical Sciences

1966-1969, - assistant of the Department of Agricultural Machinery. AzAI

1969-1974 senior lecturer at AzAI.

1974-2005. associate professor of the Department.

1973-1979-Secretary of the party Bureau of the Faculty.AzAI

1979-1983-Deputy dean of the faculty of Mechanization of AzAI.

1983-1985-Secretary of the party committee of the AzAI.

1986-1989-Deputy Dean for Scientific Work of the Faculty of Mechanization and Electrification of the AzSHI.

1994-1999-Head of the department of Agricultural Engineering. AzAA gas station

2003-Doctor of Technical Sciences .

2005-2007-Deputy professor.

From 2007 to the present, he is a professor at the AzAA.

2000-2008-Dean and head of the faculty of Advanced Training and Retraining.

2008-2009. Chief Specialist of the Center for Distance and Additional Education.  
2009 Deputy director of the Master's training center.  
2011 Chairman of the section of the Educational and Methodological Council of ASAU.  
From 2004 to the present, he is a member of the Council for the Defense of Dissertations of the ASAU at the Higher Attestation Commission under the Office of the President.

**Awards:**

In 1961, -e served three months of military service in the military garrison of the city of Ganja, as a commander of the pot, he received the certificate of honor of the commander of the regiment.

1977, - received a certificate of honor from the Central Committee of the Komsomol of Azerbaijan.

1979, - was awarded an honorary decree of the Ministry of Agriculture of the Republic of Azerbaijan.

1978-1981, - was awarded the monetary prize of the Ministry of Agriculture of the Republic.

1970-1985. At various times, he was awarded honorary certificates of the party and Komsomol committees of various districts of the republic, repeatedly thanked the rector's office in different historical days of the Republic.

1979, - was awarded the Certificate of Honor of the newspaper "PRAVDA" and the badge.

1981, the Azerbaijani LKEI was awarded an honorary decree of the Central Committee of the Kirovabad Communist Party.

1980, the inventor of the USSR was awarded a badge.

1983-1987, - was elected as a deputy of the Ganja District Council.

1980,1987,1995. - was a participant and a leading specialist, currently his research work was submitted to the 3rd state organization.

1986-2007 for the differences in the work carried out in the life of the academy at different times, he was awarded the rector's commendation and an honorary decree.

2003, he received a letter of thanks from our esteemed President Ilham Aliyev.

2007, he was awarded the "Golden Pen" award of the Trade Union of Mass Media Workers of Azerbaijan.

2010, by the order of the President of the Republic of Azerbaijan Ilham Aliyev, he was awarded the "Tereggi" medal.

2011, for his services to the development of Turkish science, he was awarded the international award "Service to Turkish Science".

2018, by the order of the President of the Republic of Azerbaijan Ilham Aliyev, he was awarded the title of "Honored Teacher".

**RESEARCH AREA**

Performs research work on the complex mechanization of agricultural production on the topic "Development and justification of technological processes of cotton

cultivation in Azerbaijan based on new technologies and working bodies of machines".

## **PARTICIPATION IN INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES**

In 2006, he spoke at the International Symposium "Mechanization of cotton Production" in the Islamic Republic of Iran.

In 2009, he spoke at the International Symposium " Development and justification of a new technology for the development of cotton production" in the Islamic Republic of Iran.

In 2002, in Tashkent, the capital of the Republic of Uzbekistan, he spoke at an International symposium on the topic "Development and justification of new technologies and machines for growing cotton".

In 2015, he spoke at an international conference at the Azerbaijan State Agrarian University on the topic " The main factors and directions of mechanization of the agricultural sector in Azerbaijan".

## **SCIENTIFIC WORKS**

1. Agricultural and reclamation machines (theory and report on reclamation machines). The textbook is published with the stamp ARTN (for the first time). Nauka Publishing House. Baku, 2007 (T. M. Ibragimov).

2. Agricultural machinery. The textbook is published with the stamp ARTN (for the first time). ASHA printing house. E-2006. (T. M. Ibragimov, A. Akhundov).

3. Statistical and dynamic characteristics of machines for cotton cultivation. Zh. MESKH, No. 1, M., 2002, 0,2 p. 1

4. Scientific bases of mechanization of cotton cultivation in the Azerbaijan Republic. Monograph, - Baku, printing house of the Ministry of Agriculture 1997., 7,1 p. 1

5. On the development of a mathematical model of technological processes and machines for cotton cultivation. Scientific foundations of agricultural development. Abstracts of reports of the International Conference. Tashkent, 2001, 0.2 pp.

6. Materials of the International Practical Conference" The main factors and directions of mechanization of the agricultural sector in Azerbaijan", Ganja -2015.

### **Textbooks:**

1. Agricultural and reclamation machines (theory and report on reclamation machines). The textbook is published with the stamp ARTN (for the first time). Nauka Publishing House. Baku, 2007 (T. M. Ibragimov).

2. Agricultural machinery. The textbook is published with the stamp ARTN (for the first time). Printing house A. E-2006. (T. M. Ibragimov, A. Akhundov).
