

# AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

**Name:** Humbet

**Surname:** Jamalov

**Patronymic:** Sudeyib

**Date of birth:** 03.06.1960

**Office phone:** -

**Mob:** 0506643892

**E-mail:** humbat.camalov@mail.ru

**Faculty:** Engineering

**Department:** Machine Engineering and standardization

## EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

1979-1984 faculty of Ago engineering ASAU

2003-2006 faculty of Agriculture Economics (correspondence) ASAU

2005 PhD on technique April 12, (investigation of the work of anchor disc path openers on grain sowing machines)

2009 associate professor

## EMPLOYMENT

1977-1979-Fizuli region, grape-growing plant named after Orjanikidze

Scientific research of Azerbaijan Agriculture

1984-1989 scientific worker of the Institute of mechanization and electrification

1989-1990 Head of Laboratory, AAA

1990-assistant in the department of repair of machines ASAU,

2009-2013 Head of experience and Business Improvement department Modiri -

2015-2018 career, internship and Employment Department ASAU

## RESEARCH AREA

Technical justification of the technology of soil protection strips of agricultural crops in foothills

## **AT INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES PARTICIPATION**

Mechanization of Agriculture Doila the Republic of Germany Nimburg

Development of Agriculture in CIS countries German Technical Cooperation Organization German republic Kelimberg

## **SCIENTIFIC WORKS**

1.H.S.Camalov, T. Mammadov. Theory of soil entry of anchor disc path openers in grain sowing machines. Ganca branch of the Azerbaijan National Academy of Sciences news magazine №57 2014

3.H.S.Jamalov. Tex enameled in Texmiki.Scientific works of ASAU Ganja 2015

4.H.S.Jamalov. Intensity of Kutan hair to be eaten.Scientific works of ASAU Ganja 2016

5.RC.Elekberov, H.S.Jamalov. Processing methods and tools (lesson plan, Ganca 2017)

6.H.S.Jamalov. Turp interaction of soil compacting roller and calculation of width. Scientific article Ganja 2019

7.H.S.Camalov, R.C.Elekberov.Construction materials technology (textbook Baku science education publishing house 2020)

8.H.S.Jamalov, M.RHasanova. Practical training in materials science (textbook Baku 2021)

In general, 71 scientific articles,36 programs, one textbook is a teacher of 3 lesson funds.

## **LANGUAGE SKILLS**

English

Russian
